§8-102 CITY PROPERTY; OBSTRUCTIONS.

Trees and shrubs growing upon or near the lot line or upon public ground and interfering with the use or construction of any public improvements shall be deemed an obstruction under this article. Said trees, shrubs and their roots may be removed by the City at the expense of the owner of the property upon which the tree or shrub is located should the owner fail or neglect to do so after notice. It shall be unlawful for any person, persons, firm, or corporation to obstruct or encumber by fences, gates, buildings, structures, or otherwise, any of the streets, alleys, or sidewalks. (Ref. 17-557.01 RS Neb.)

In the event the property owner is a nonresident of the county in which the property lies, the City shall, before levying any special assessment against that property, send a copy of any notice required by law to be published by means of certified mail, return receipt requested, to the last known address of the nonresident property owner.
